Submissions will be reviewed by two OHNS QD Examiners who will give independent opinions as to the quality of the carving, subject and probable artist. A photograph of the coin will be taken to accompany the report. Originals of the report and photograph will be returned along with the coin(s) to the owner, and copies will be kept by the First QD Examiner and in the OHNS Archives. No records of coin ownership will be maintained by Examiners or by OHNS.

The opinions rendered by our Quality Designation Examiners are strictly that, and are not a guarantee of value or authenticity. They will be, however, the best considered judgements of qualified specialists in the field. Others may reach **DIFFERENT CONCLUSIONS.**
